### ■ Block & Company, Inc., Realtors brings AutoAlert to Kansas City

**March 8, 2017 - (Downtown Kansas City, Missouri)** Block & Company, Inc., Realtors recently found AutoAlert a home for their new headquarters in the former Kansas City Southern Railway building located at 114 W. 11th Street in Downtown Kansas City, Missouri - one of Kansas City's oldest and most historic buildings, built in 1935. AutoAlert, a California-based tech firm and leader in software solutions for auto dealers, signed a long term lease in floors 4, 5, 7, and 8 of the building totaling 48,839 square feet with plans to grow exponentially in the future.

AutoAlert's move will have an unprecedented impact on the economic growth and resurgence to Downtown Kansas City. The new location will bring 300 high paying jobs to Downtown Kansas City. Several variables factored into how Kansas City became the new home of AutoAlert including a surplus of talented tech professionals, innovative companies, and the revitalization of Downtown Kansas City all contributed to AutoAlert's decision.

Bill Maas, CCIM and Larry Larsen of Block & Company, Inc., Realtors negotiated the transaction on behalf of AutoAlert.

AutoAlert Founder and CEO Mike Dullea spoke on his experience working with Bill Maas of Block & Company:

*"Bill made it easy for us to decide on Kansas City as our next home. We didn't give him a lot of time but I've known Bill for awhile now and if he says he can get the job done, he'll get the job done."*

There will be a ribbon cutting ceremony held for the new AutoAlert headquarters in Downtown Kansas City, Missouri in the coming weeks.
